Welcome to the Colorado Indigent Care Program (CICP)

The Colorado Indigent Care Program (CICP) is a discounted health care program for residents of Colorado. Health care providers who participate in the CICP offer discounted health care services to people who qualify for the program.

The CICP health care provider has assigned you a rating based on your household income. Your rating determined what your CICP copayment is. The copayment is the portion of your medical bills under the CICP that you will be responsible for. Payment of the copayment is expected at the time of service, unless you have made other payment arrangements with the CICP Provider.

The CICP is not health insurance and the CICP cannot guarantee benefits. Services must be received from a qualified CICP provider. Available discounted services and copayment may be different from provider to provider. If your CICP provider refers you to a non-CICP health care provider for care, you may be responsible for the bill without a discount Please check with your health care provider before receiving care so that you understand what CICP will discount and what it will not discount.

Please discuss questions about your medical bills and medical care directly with your CICP provider at the following phone number:

If you need more information about CICP, or have concerns that have not been resolved with your CICP provider, call:

Colorado Department of Health Care Policy and Financing
Customer Contact Center
1-800-221-3943

Information about CICP is also available on the Department of Health Care Policy and Financing's Website, including a Provider Directory: Go to www.Colorado.gov/hcpf and click the link "Explore Programs and Benefits", "Adults", Colorado Indigent Care Program (CICP), then select "Program Information Page", and then "CICP Provider Directory" at the bottom of the page.

(Turn the page over for more information)

Your CICP provider can enter your copayment amount for health care services in the table below. Copayments are different for different types of medical care, and your CICP provider may not offer all types of services. You should ask your CICP provider about what health care services are available at a discount and which copayment applies
